Light Vote Seen In April Election For City, School

Bldg. Permits Low, But

4 Businesses Set

City building permits were a low \$5,200 in Cameron during March, however construction and remodeling for four new businesses will boost building activity in April.

Remodeling in progress, or just completed includes work on the Minnie Stedman Insurance office on South Travis and at the Camp Building on North Fannin.

A remodeled front at the Minnie Stedman Insurance office retains the early design of the building with the addition of a low colonial style porch, columns and shutters.

The building was constructed in 1876 by B. I. Arnold to house his real estate and insurance business and has been used as an insurance office for 39 years. Mr. Arnold's daughter, Mrs. Mamie Hefley, continued the insurance business which is now operated by Miss Stedman.

Interior work is in progress for three retail stores on the North Fannin side of the Camp Building. Adjoining import gift and children's clothing shops will be opened under the name The Back Door Shoppe probably in late May. Mrs. Emory B. Camp, who will open the two shops, is also remodeling the interior of the front building formerly occupied by Tindall Supply Co., and will lease it.

Ground is being cleared on SH 36 - US 190 for construction of a smoke-house and barbecue. A 24x50 rough cedar building will house a dining area and patio, plus take-home order counter for hickory smoked products.

The smoke house, which will be at Orchard St. and the highway, is being built by John Gelfner of Cameron and will probably be open by late April.

Milam County Grand Jury Indicts 13 In March Session

The Milam County Grand Jury last week indicted 13 individuals on charges of worthless check, theft DWI and burglary.

County Attorney John B. Henderson Jr. listed the following Grand Jury indictments:

A. S. Johnson of Wichita Falls, worthless check on August 2, 1965. Jim Newton of Sherman, worthless check on August 12, 1966.

Sam K. Steele of Milano, second offense of driving while intoxicated on January 10, 1967.

Robert Melton of Milano on an October 21, 1966 charge of felony theft.

Jerry W. Miller of Chamberlayne, Georgia, charged with passing a forged instrument on February 1, 1967.

Larry Thomas of Elgin, worthless check on November 16, 1966. Herman Wells of Temple, second offense of driving while intoxicated on December 24, 1966.

Nolan Webb of Burlington, Addie Dudley of Waco and Barbara G. Brown of Waco, charged with a January 17, 1967 burglary.

Jesse Raye Owens of Cameron, burglary, March 3, 1967.

Eugene L. Williams of Caldwell, theft by false pretext, August 13, 1966.

Eddie L. Morphis of Dallas, theft by false pretext, January 18, 1967.

Court Rejects New Trial For Gonzales

The Texas Court of Criminal Appeals has rejected Hipolito Gonzales' appeal for a new trial. The Court said records contained no notice of appeal as required under law.

Gonzales was convicted of murder with malice following a fight in Cameron August 22, 1965. He was sentenced to 15 years in prison by the 20th District Court here. Gonzales had pleaded self defense at his trial.

6 CANDIDATES UNOPPOSED FOR LOCAL BOARDS

A light vote is predicted for both the School Trustee election Saturday and the City election on Tuesday. Candidates in both races are unopposed.

Candidates for three seats on the Cameron School Board are Forrest Sapp and Charles McDermott, incumbents, and Dr. John Martin.

The school election will be at the Yoe High gym from 8 a.m. to 7 p.m. Saturday, April 1. Felix Matula has been appointed Election Judge.

C. R. (Roy) Law, retiring president of the Board, appealed to school district voters to support the candidates by voting in the election Saturday. In a letter to The Herald dated March 28 he said, "It is true that no contest exist yet my experience and my judgment tell me the greatest boost we can do for our schools is to go vote, thereby telling all men of our great concern and sincere interest in our schools."

"The most tragic thing that can happen is for the people to be indifferent and stay away from the election place because there is no contest," he said.

Previous uncontested school board elections have received little attention from the voters. In one recent uncontested race only 53 votes were cast.

City voters will elect three councilmen Tuesday. Polls will be open at City Hall from 8 a.m. to 7 p.m. April 4 according to City Secretary Buddy Fuller.

Unopposed candidates for the council posts are John Hays, former Cameron Postmaster, and incumbents Starratt Hickman and Lawrence Zoltz. J. C. Marek did not seek re-election to the council.

District IL One-Act Play Contest Tonight

Cameron will host the Interscholastic League District 17-AA One-Act Play contest beginning at 6 p.m. tonight (Thursday, Mar. 30) at Ben Milam Cafeteria. Navasota, Hearne and Cameron will compete for the district honors. Admission will be 50 cents for adults and 25 cents for students.

Cameron students will present Impromptu by Tad Mosel, published by Dramatists Play Services. In the cast are Bucky Wilkinson, Barbara Jackson, Barbara Jo Hickman and Hill Stroup. James Nelson is stage manager and Mrs. Mary Jean Edmonds, director.

TOURIST FACILITY — A family from Lubbock is among the first to enjoy the highway park facilities on SH 36-US 190 west of Buckholts. Two other facilities, with double covered picnic table and brick outdoor ranges, are located north of Rockdale on US 77 and north of Burlington

on US 77. These are the first such facilities built by the State Highway Department on Milam highways since picnic areas were designated, without the modern cover some years ago.

A mother cat, strayed into the family yard, was about to have kittens when the young son of the house happened by.

And the inevitable happened: kittens were being born.

With each new kitten, the young boy said: "Oh, thank you kitty, thank you!"

Youth Killed In One Car Accident On Marak FM Road

Anton Joseph Vansa, 18, of Marak died early Friday morning after his car went out of control and overturned five miles north of Cameron on Farm Road 2659. Time of the accident was set at shortly after 1 a.m., however it was not discovered until 5 a.m. when a passing motorist reported seeing the wrecked auto.

Highway Patrolman Leroy Broadus said Vansa's car left the right side of the highway, overturned and Vansa was thrown from the vehicle. He was pronounced dead at the scene of the accident.

Vansa was a native of Cameron and had lived in Milam County all of his life. He was employed by American Desk Co. of Temple. Funeral services were 2 p.m. Sunday at St. Cyril and Methodius Catholic Church in Marak. Rev. Harry Bilski will officiate. Burial was in the Marak Cemetery.

He is survived by his father, John Vansa of Marak, his grandmother, Mrs. Annie Vansa of Marak; two brothers, Emil Vansa of Marak and Steve Vansa of Temple; three sisters, Mrs. Tony Mitchell of Johnston, Nebraska, Mrs. Albina Vrazel of Marak, Mrs. Mary Ann Vrazel of Yarrington.

Pallbearers were: Leroy Vansa, Louis Vansa Jr., Alfred Vansa, Eugene Vansa, Adolph Vansa and Alfred Vrazel.

There is a grand jury investigating a "bawdy" house there. Thus far, according to reports, three of the grand jurors have been intimidated by phone calls saying the jurors' children would get acid in their faces unless grand jury stops hearings.

Then later last week, the local radio station was advised, also by phone, that a local school would be blown up Tuesday if the investigation was not stopped.

Result was a 50 percent reduction of student attendance Tuesday, while no explosion occurred. And no acid had been thrown.

Services Today For Mrs. Mike Ondreas

Funeral services will be at 10 a.m. today (Thursday) at St. Cyril and Methodius Church for Mrs. Mike Ondreas, 76. Rev. Harry Bilski will officiate and burial will be at Marak Cemetery.

Mrs. Ondreas died at 4 a.m. Sunday in a Cameron hospital after an extended illness. She was born August 11, 1890 in Bell County and had lived in Cameron for the past 40 years.

Survivors include her husband, two sons, Arnold Ondreas of Port Lavaca and Andrew Ondreas who is stationed in Vietnam; six daughters, Mrs. Angeline Cabron of Robstown, Mrs. Mary Adamek of Slaton, Mrs. Christine Slavik of Cameron, Mrs. Annie Cuba of San Angelo, Mrs. Jodie Pernice of Cameron and Mrs. Dorothy Teller of Temple; a brother, Steve Bartek of Temple; a sister, Mrs. Frances Hutka of Temple; 20 grandchildren and 26 great grandchildren.

Marek-Burns Funeral Home is in charge of arrangements.

Smith, Metcalf Purchase Milam Feeders Supply

Larry P. Smith, formerly of Hearne, and Pryce Metcalf Jr., of Franklin, have purchased the former Milam Feeders Supply and have renamed the operation Cameron Feed Center, Inc.

Smith has moved to Cameron. His family is now residing at 1706 North Houston. Mr. and Mrs. Smith have three children: Lar, 5; Lori, 4; and Lee, 2.

Metcalf is operating two other feed centers in Caldwell and Franklin. He is chairman of the Robertson County Program Building Committee and a city councilman in Franklin.

Morris Evans sold to the new partnership, which will continue to operate at 601 Santa Fe.

Smith, 29, attended Texas Tech and is former manager of the Flying V Ranch, Hearne, and cattle manager of Camp Cooley Ranch, Easterly, where he was most recently employed. Metcalf, 39, is a graduate of Texas A&M. He has also been active in the poultry business.

Smith is a Methodist, was a director of the Hearne Chamber of Commerce, and chairman of the Chamber Livestock Committee.

CISD Board Hires 61 Teachers Here

The Cameron School Board Tuesday approved employment of 61 teachers for the 1967-68 school year.

A unanimous vote followed a motion by Coleman Duncum, seconded by Charles McDermott, that the teachers be hired.

The list included: Lelia Hickman, Frances Hensley, Mildred Martin, Nell Mayes, Beth Maples, Nan Hudson, Lois Randolph, Virginia Schuhsler, Mary Arthur, Nadine Zelisko, Jane Hurta, Louise Dodson, Merle Hickman, Elaine Carleton, Ima Batte, Otelia Barker, Henrietta Burkes, Don Wiggins and Patsy Edmonds.

Also Barbara Hughes, Norwin Hughes, Jack Ruzicka, Frank Winchester, Frances Wise, Odell Biggs, Viola Biggs, Selma Kemp, Barbara Walker, Harrison McLerran, Francis Cox, Dorothy Foster, Alice Hughes, Cornelius Tittsworth, Ken Fuqua, Clayton Riddleberger, Fred Johns, Henriem McIntosh and Betty Westbrook.

And, Mary Jean Edmonds, Emma McDermott, Ada Margaret Smith, Barbara Burke, Dan Murrah, Robert Kramer, Patsy Nance, Herbert Sims, Zelma Lee Kykes,

M. L. Wilhite, Courtney Nelson, Ernestyne Sayles, Claudell Madison, Ella Lee Wilkerson, Cecil Anderson, James Petty, Roosevelt Baker Jr., Georgia M. Washington, Harvies Lee Biggins, Seth Dockery Jr., Willie Jean Henderson and Patsy K. Waters.

The board voted to hold the next regular meeting 8 p.m. April 6.

Rotarians Elect '67-'68 Directors

Cameron Rotarians Wednesday elected five directors who will take office July 1.

They are: Gus Elley, Henry Litzman, Barney Owen, Archie Prokisch and Lake Stroup.

The new directors will elect the incoming president for 1967-68.

Current directors are: Albert Collins, Calvin Cobb, Robert Ellett, vice-president James Kahler and Owen, Stroup is current club secretary and Dana Kestenbaum is club treasurer.

Friday Deadline To Change Auto Tags

Midnight Friday is the deadline for replacing 1966 auto license plates with the new black on white tags and a last minute rush at the courthouse late this week kept clerks busy registering Milam County motor vehicles.

Valter White, tax assessor-collector, said although Friday was the deadline for driving with last year's tags, his office would be open Saturday to handle an expected crowd of late buyers.

Buckholts Benefit

Tibby the Magician will appear at the Buckholts School gym Friday, March 31 in a benefit for the Junior Class. Admission will be \$1 for adults and 50 cents for children.

Teaching To Read....

The cry for opportunity, wherever possible, is best shouted in a literate voice.

Co - efforts of the Texas Literacy Council and United Church Women of Cameron would undertake the task of training teachers of adult illiterates.

Such a workshop for volunteers is planned at Ben Milam Cafeteria April 8 in Cameron.

Is it a small task? Not in Milam County.

About 10 per cent of County population is, by the standard of having three years or less of grade school,

illiterate. National literacy average is about 97 percent.

Such an undertaking is both noble and practical. It will enable unemployables, by minimum industrial standards, to be among the employable. It will open vestiges of self help to people whose inclination, when not a sole hope, is to public help. And it won't hurt newspaper readership either.

Volunteers, proficient in English, thus can help eliminate the greatest bane of a civil people, the inability to read.

What Others Say

Professor Toynbee's wise words

Today, when so many public figures seem to cast doubt upon the distinction between right and wrong, it is heartening to have one of the world's most famous historians reaffirm that distinction. Indeed, in Arnold J. Toynbee's opinion, "the goodness and the badness of our choices have not changed" throughout history.

If nothing else, Professor Toynbee has a long and broad view of history. No man has sought more persistently to extract from history its universal constants and its universal applications. And whether or not one agrees with all of the Toynbee interpretation of history, few would deny that no man living today has a wider knowledge of world history than does he.

Thus when he reaffirms the ancient fact that it is of vital importance which choice men make, it is an assertion to which all men would do well to listen. This is particularly true since, in his pronouncements, Professor Toynbee deals by preference with the larger and deeper issues affecting the relations of men and of nations, and, above all, with those is-

suces most directly touching man's moral and social conscience.

As Professor Toynbee would doubtless point out, every age has had its share of those who failed to see or deliberately refused to see the distinction between those acts which man's highest moral sense told him were right and those which all but the depraved knew were wrong. Yet, in the end, mankind as a whole has made its choice for those decisions which were, as Professor Toynbee put it, nearest "goodness."

It will do so today, but it will not do so automatically. It will make the right choices by seeking them and by listening to those who urge them. In calling this to the attention of a group of young, thoughtful, intelligent college students in New York City, Professor Toynbee has again done his part to prevent the world from taking those paths which, as a world historian, he well knows lead only to disappointment and defeat.

Legislature Passes City Sales Tax

By Vern Sanford

AUSTIN — Texas cities now have won at least half of their battle for authority to levy a one percent sales tax.

Both houses of the Legislature passed the bill. It's now ready for the Governor's Signature. Final Step is approval by local voters.

Failure of the bill to obtain a two-thirds majority vote of the Legislature means that the law cannot go into effect until 90 days after adjournment. This means that it probably will be September before any city can hold an election on the subject.

Approval over heavy opposition was a major victory for Gov. John Connally and officials of the Texas Municipal League. Legislative presiding officers Lt. Gov. Preston Smith and House Speaker Ben Barnes also strongly backed the controversial measure.

These are important features of the bill.

—Tax can be levied only on those items covered by the present two percent state sales tax. (It will not fall on auto purchases.)

—City governing bodies can submit the issue to election on their own motion or by petition of voters.

—Voters also can petition to get rid of the levy after two years.

—State comptroller will supervise collection (along with state sales tax) and refund one percent, less administration costs, to the cities.

Passage of this bill, sponsored by Rep. John Traeger of Seguin and Sen. Joe Christie of El Paso, is viewed as having one effect not intended by some of the strongest backers: it will make any increase in state sales tax this year more difficult if alternate revenue programs fail.

FEED LOT BILL — A "version" of the bill by Rep. Tom Holmes of Granbury to license cattle feedlot operations cleared the House. But it was hardly recognizable.

Led by Reps. Bill Finck of San Antonio, Felix McDonald of Edinburg and Jim Nugent of Kerrville, opponents tacked on amendments which would make licensing strictly voluntary and would remove the protection against nuisance suits on findings of inspectors.

Provisions in Holmes' original bill would have made the law mandatory for feed lots having capacities of 1,000 head or more, but smaller feed lots would be covered only if they asked to be, individually.

Holmes moved the bill to final passage, even though it had been rendered virtually meaningless. Apparently he's hoping for a better fate in the Senate, then beefing up by a conference committee.

WILDLIFE WEEK — Bills strictly for the birds and the bee-keepers have been passed by the House. One would remove pelicans and peregrine falcons from the unprotected bird list. Another would provide for branding and registration of bee-keeping equipment.

A Senate committee followed up by approving a ban on commercial exploitation of Texas tortoises and horned lizards.

ANTI-WIRETAPPING — Telephone wiretapping and electronic eavesdropping were frowned upon by the House which passed (116-29) a control bill recommended by the Governor.

Wiretapping could be authorized on court order if evidence expected to be gained might save human life, or prevent extortion, kidnapping, armed robbery, rape or arson. Evidence thus obtained would be admissible in court.

Bugging by law enforcement officers would be permissible without court order for a one-day period where the procedure conceivably might save a life.

Bill now goes to the Senate.

PARKS BILL PASSED — A resolution that would authorize the state to issue \$75,000,000 in bonds to finance acquisition of land for state park sites was unanimously passed by the House.

A proposed constitutional amendment by Rep. Gene Hendryx of Alpine passed 149-0. It had been amended twice by the House Constitutional Amendments Committee. One amendment was minor. But the other cut from six percent to four and a half percent the maximum interest rate to be paid on the bonds.

Measure now goes to the Senate.

COURTS SPEAK — A divided State Supreme Court reversed an important Taylor County oil land leasing case. It ruled invalid a lease which it upheld three years ago. Leasing of oil and gas rights under seven million acres or more was at stake in the decision.

High court also said a Tarrant County woman judge was wrong in refusing a legislator-attorney's request for postponement of a divorce case during legislative session. It ordered a new trial.

Court overruled a \$60,815 award to a Houstonian who complained that his expensive new auto jumped the road due to faulty brakes and steering mechanism. Decision was that neither the dealer nor the manufacturer was legally responsible.

Atty. Gen. Crawford Martin has asked the U.S. Supreme Court to grant a full hearing on its recent decision invalidating the 1965 redistricting of the Texas House of Representatives. Martin said the court's ruling dissolved the Texas Legislature.

STANDARDS HEARINGS SET — Texas Water Pollution Control Board has set April 12 for the last of its series of scheduled public hearings on water quality requirements.

Austin hearing will be open to all interested parties. Water quality requirements will be set for rivers, lakes, bays and estuaries and portions of the Gulf of Mexico within the territorial limits of the state.

Evidence gathered will be considered by the Board in establishing standards for permits and applications for discharges of wastes into public waters. Witnesses should contact the Austin office of

THE FAMILY LAWYER

In the Name of Charity

To help a worthy cause, you buy a \$5 ticket to a theater party. May you deduct the \$5 on your next income tax return as a charitable contribution?

No, because your payment was not all charity. You received something of value in return: the show itself. If the regular price of tickets is \$3, you may deduct only the other \$2—the part that was truly a gift.

This rule has wide application, not only in such frivolous areas as theater parties, charity balls, lotteries, and athletic events but also in such basic areas as health and education.

For example: A man claimed a deduction for money paid to a non-profit retirement home—in return for lifetime care.

A woman claimed a deduction for money paid to a religious society—in return for perpetual upkeep of her burial plot.

A family claimed a deduction for money paid to a church—in return for their son's education.

But in each case, the deduction was not allowed. For in each case, the payment was held not true charity but simply a purchase of services—like any other family expense.

The mere fact that your payment is in the form of a check

made out to a charitable organization does not change it into charity if it really isn't.

And, by the same token, a true gift may be deductible even if it is not in the form of money at all. Thus, contributions of food or books to a qualified charitable organization are deductible.

What about services that you render? No doubt, in the scales of virtue, donating your services weighs as much as donating your money or your merchandise.

Nevertheless, services are held not a deductible contribution, perhaps because of the formidable problems of fixing their value. Imagine the difficulties of putting a price tag on the services of Mom to a Girl Scout troop or of Dad to the Community Chest.

On the other hand, if your services require out-of-pocket expenses for which you are not reimbursed, they are generally deductible.

For instance, the costs of driving to a volunteer job at a hospital, or of buying uniforms not otherwise useful, may be deducted. For, in a true sense, you are "giving" this amount to charity. Rogers To Elect Mayor, Council

Rogers city election will be held April 4. Bob Persky is the unopposed candidate for mayor. Running unopposed for three seats on the council are W. A. Warren, Wilbur Jackson and Claude Foster. Mrs. Frank Ponck has been appointed election judge.

Thorndale To Host Milam Aggie Muster

The traditional Aggie Muster for Milam County Aggies will be held in Thorndale April 21. On that date Aggies around the world muster together to pay homage to their fellow classmates who have passed on, and tribute to the Texas men who won the freedom of the State at the battle of San Jacinto some 130 years ago.

A dinner will precede the Muster ceremonies and tickets are being sold by local Aggies at \$1.50 per person. Tickets will not be available at the door. A. E. Denton, Athletic Counselor at Texas A&M, will be the main speaker of the evening.

Dog Vaccination Deadline Wednesday

ROGERS — Vaccination deadline for dogs in Rogers is Wednesday, April 5, and vaccinations will be given at the Rogers Fire Department on that day, according to Mrs. George Richards, city secretary.

According to City ordinance, all dogs roaming the streets after that date without tags will be disposed of.

OLD PHILOSOPHER

Dear editor:

March is always a good month for newspapers to blow in on this Johnson grass farm, or as Shakespeare said, March comes in like a copy of the Sunday Dallas News and goes out like a copy of The Cameron Herald, although this in not to say the former has more influence than the latter, the number of pages in a newspaper doesn't mean it's the most influential, any more than the athlete with the biggest feet is the fastest or the politician who talks the most says the most.

At any rate, with a steady supply of wind-blown papers I've been getting in a lot of reading and I've been noticing a strange expression occurring and re-occurring in all of them. The expression tries to tell us what some city is thinking.

For example, Sec. Rusk will say, "Hanoi thinks such and such," or even "Hanoi says." Somebody else will say "What will Peking think about this?" Or "Moscow will think this is escalation."

You get the drift. I have thought this over and the more I think about it the odder it sounds. I can't get it in my mind how a city can think. I don't know how many people there are in Hanoi, but there must be some

there who don't think like Ho Chi Min says they think, and as a clincher, there must be some there who don't think at all, and even Ho Chi would be hard put to tell me what somebody who hasn't thought, thinks.

The whole thing would be somewhat like your telling President Johnson, should he ask, what Cameron thinks.

You could tell him something all right, but unless you talked to everybody in town and they all agreed unanimously, it wouldn't be very accurate. This is not to imply of course that there's anybody there who doesn't think at all, like in Hanoi.

And besides, by the time your telegram got to Johnson, half the women and one or two men would already have changed their mind.

When somebody tries to tell me what some city is thinking, I back off and try to counter it with what this Johnson grass farm is thinking. I usually come up with nothing.

Yours faithfully,
J. A.

New System To Be Studied At NCCW Convention In Bryan
Mrs. Harold Moore and Mrs. Louis Hollas will represent the Cameron District Council of Catholic Women at the 18th annual convention April 10 and 11 at the Ramada Inn in Bryan.
As delegates for St. Monica's Ladies and Christian Mothers, they will study with about 300 other expected delegates and visitors the new five-commission system adopted by National Council of Catholic Women, effective in June for all affiliates. The new system replaces the 18-committee system used by NCCW since its beginning in 1919. Now 11-million women strong, NCCW restructured to program action according to the newly defined goals growing out of Vatican Council II. The accent is now on issues raised in Council documents as they apply to lay activities in the Church.
The five new commissions are Organization Services, Church Communities, Family Affairs, Community Affairs and International Affairs.
Peter von Wupperfeld, Catholic layman of Austin, will deliver the keynote address Monday afternoon (April 10) and that evening Mrs. James H. Rounsaville of Jacksonville, national director for the San Antonio Province, will be banquet speaker.
Mrs. L. H. Maloy Jr., of Waco, president of the Austin DCCW, will preside. Rt. Rev. Msgr. Claude A. Faust of Rockne is diocesan moderator. The Austin DCCW includes affiliated organizations from the districts of Austin, Bellville, Cameron, Rockne, Waco and the newly formed Western District.
The Cameron women are in charge of the library exhibits at the convention. Anyone wishing to attend the convention for one or both days is asked to contact Mrs. Harold Moore a week in advance.

DELPHIAN PROGRAM ON Historical Markers In Milam County
The Cameron Delphian Club met with Mrs. R. G. Graben, March 21, with Mrs. H. L. Green Sr. presiding.
The following officers were elected for 1967-68:
President, Mrs. H. L. Green Sr.; Vice President, Mrs. J. H. Thomas; Recording Secretary, Mrs. A. W. McCullin Sr.; Corresponding Sec., Mrs. Walter Sharpe; Treasurer, Mrs. Mary Yoe; Historian, Mrs. Niley Smith.
Miss Mary Belle Batte spoke on the historical markers of Milam County. She designated: the three old missions in the southwestern part of the county; Old Nashville, near Gause; Bryant Station near Buckholts; Port Sullivan on the Brazos River; the statue of Ben Milam on the lawn of the county courthouse; and the place where the first steamboat landed on Little River near Lamkin's Store.

Mr. and Mrs. Jack Tumlinson attended a dinner in Temple Tuesday evening honoring U.S. Sen. John G. Tower. The dinner was hosted by Bell County Republicans.

Joins Job Corps
Janice Sapp, daughter of Mrs. J. B. Sapp, has enlisted in the Job Corps. She will be located at McKinney.

Mr. and Mr. Henry Hill of Cameron, Mr. and Mr. Emory Brock- enbush were Sunday afternoon visitors of the Ray Greens.

Mr. and Mrs. Joe F. Mayer announce the engagement and approaching marriage of their daughter, Gloria Ann, to Mr. Arthur Francis Beach, son of Mr. A. C. Beach of Westphalia and the late Mrs. A. C. Beach. The wedding will take place June 10, 1967 at St. Monica's Catholic Church in Cameron. Miss Mayer is presently working in Austin, Texas for the Texas Employment Commission, and Mr. Beach is presently stationed in Jacksonville, Florida with the United States Navy.

Gilmore Awarded AF Academy Honors Air Force Medal

BELLEVIEW, Ill.
Captain Wiley C. Gilmore, son of Mrs. George E. Gilmore of 633 W. Cameron, Rockdale, has been decorated with the U.S. Air Force Commendation Medal at Scott AFB, Ill.

Capt. Gilmore was awarded the medal for meritorious service at Hickam AFB, Hawaii. He was cited for his outstanding professional skill, knowledge, and leadership.

The captain is now at Scott as an air operations officer with the Military Airlift Command which provides global airlift for the nation's military forces.

Captain Gilmore, a graduate of Rockdale High School, was commissioned in 1955 upon completion of the Air Force Reserve Officers Training Corps program at North Texas State University, Denton, where he received his B.A. degree in government.

Melvin E. Sides, son of Mr. and Mrs. W. O. Sides of Rockdale, has been promoted to chief master sergeant, highest enlisted grade in the U.S. Air Force.

Sergeant Sides, an aircraft maintenance superintendent at Carswell AFB, is a member of the Continental Air Command which provides the active duty Air Force with reservists ready to meet emergency requirements.

He served in the South Pacific Theater of Operations during World War II and is a veteran of the Korean War.

The sergeant is a graduate of Rockdale High School.

Cadet George W. Kamenicky, son of MSgt. and Mrs. J. G. Kamenicky of McConnell AFB, Kansas, has been appointed to the Superintendent's List for the fall semester of 1966 at the Air Force Academy, Colorado.

To become eligible for the honor, the student had to be named to the Dean's List and the Commandant's List. Kamenicky is a graduate of Derby, Kansas High School. He entered the Air Force Academy in June, 1965.

In a letter to his family, Lt. Gen. Thomas S. Moorman, Air Force Academy superintendent, said, "To gain this recognition, your son earned appointments to both the Dean's List and the Commandant's List denoting his excellence in academics and military performance."

Cadet Kamenicky is the grandson of Mrs. G. A. James and Mr. and Mrs. Rudolph Kamenicky, all of Cameron.

Thorndale Man Flies 1178th Mission Over No. Vietnam

VIETNAM
Captain Fred H. Pearce, son of Mrs. F. H. Pearce of Thorndale, recently completed his 1178th combat mission over North Vietnam.
Capt. Pearce, a C-123 Provider pilot, flies from Tan Son Nhut AB, Vietnam. He is a member of the Pacific Air Forces, the nation's combat-ready air arm guarding the 10,000-mile Bamboo Curtain.
Before his arrival in Southeast Asia, he was assigned to the 3541 Navigation Training Squadron at Mather AFB, Calif.

The captain, a graduate of Thorndale High School, attended the University of Texas. He received his B.B.A. degree in 1961 from Southwest Texas State College, where he was commissioned upon completion of the Air Force Reserve Officers Training Corps program.

PORT HUENEME, Calif.
Construction Apprentice Roy E. Haines, USN, son of Mr. and Mrs. Dean Haines of Cameron, is in Port Hueneme, Calif. attending the Navy's Utilitiesman School, one of several taught by the U.S. Naval Construction Schools at Port Hueneme.

While at school, he will study the function and preventive maintenance of boilers, pumps, and compressors, as well as equipment used in sewage disposal, water distillation, and water purification. He will also receive instruction in mathematics related to the responsibilities of a Utilitiesman.

COUNTY AGENT'S NOTES

—By—

J. D. MOORE

Milam County peanut producers heard specialists from A&M discuss production and marketing of peanuts in a meeting held at the Rockdale State Bank Community Room Wednesday night, March 22.

Dr. Wendell Horne, plant pathologist, started the discussion with the statement that 31 percent of the peanut crop was lost annually due to these diseases: leaf spot, 13 percent; southern blight, 9 percent; all other diseases, 9 percent. Deep plowing to cover previous crop residue and planting on raised beds has been proved successful.

Fungicides recommended for the control of peanut disease were Sulfur & Copper, 15 to 25 pounds per acre; also Maneb, Copper Manzate, Sperlox and Polyram. The fungicide application should be started when the first spots occur on the lower leaves. Continue treatment at 10 to 14 day intervals.

Phillip Hamman, entomologist, discussed insects that attack peanuts. Because of varying factors such as weather and cultural prac-

tices, insect problems will fluctuate from one season to the next. Since insect populations are variable, and economic levels of damage to peanuts have not fully been determined for all insects or mite species involved, producers must thoroughly analyze the situation before starting a control program. Factors such as land potential, anticipated yield, stage of plant growth, moisture conditions and insect species should be considered. Knowing when not to make application is often just as important as knowing when to begin control measures. A guide for controlling insects attacking peanuts is available at the county agent's office.

Ben Spears, agronomist from A&M, complimented the Milam County peanut producers for adopting the improved practices for profitable returns and higher 1966 yields. According to our county ASOS office, peanut producers made record yields from 1,056 harvested acres of peanuts in 1966, for an average yield of 1,113 pounds for the Spanish type and a little above this figure for the vine-type variety.

In discussing chemical weed control, Mr. Spears recommended the product Enide at 3 pounds per acre plus 1 to 1½ pounds of DNB applied in 12 to 14 inch bands about the time the seedlings crack the soil surface. This chemical controls Colorado grass and most weeds.

If nutgrass is a problem, use Vernam at 1 to 1½ pound rate in 14 inch bands. This material should be thoroughly incorporated in the soil at planting time or immediately after planting.

By Mrs. George Logan

Mr. and Mrs. James Clayton Abertson of Rosebud visited relatives and friends here.

Mr. and Mrs. Mac McGinniss of Belton have visited Mr. and Mrs. Ray Schoenhoff here. The Schoenhoffs also had as guests Mr. and Mrs. J. N. Bowen of Temple.

George Rogers, Mr. and Mrs. Frank Rogers, Gregory Rogers, all of Dallas, and Miss Susan Rogers were guests last weekend of Mrs. Caciola Rogers.

Mr. Edgar Boehme had a letter from his husband in Vietnam, saying he is well and doing okay.

Mr. and Mrs. Sam Ferguson of Temple visited Mr. and Mrs. Roy Lindsay last Friday.

Recent guests of Mr. and Mrs. Will Stoeber and family on Friday night were Mr. and Mrs. Lloyd Stoeber and family of Andrews, and on Sunday Mr. and Mrs. Thomas Stoeber and family of Austin and Miss Willie Mae Stoeber of Temple were guests of relatives here.

Mrs. Roy Lee Lindsey Jr. and two sons, Shawn and Roy Lee of Waco came Saturday for a visit.

PECAN APHID CONTROL

Texas commercial pecan producers may now use disulfoton (Di-Syston) for the control of aphids. John G. Thomas, Extension entomologist, says the systemic insecticide has been cleared by the U. S. Department of Agriculture and is effective against the black pecan aphid and the yellow or honeydew aphid. But, he adds, it will not work on nut casebearers, tent caterpillars or other foliage feeding pests.

Bill Would End Curbs

Pressures Building On Crop Control Measures

Legislation to remove all government controls on grain production has been introduced in the House of Representatives by Thomas B. Curtis, Republican congressman from Missouri.

Debate on the measure will probably not come until the 1969 congress. Present grain programs expire after the 1969 crop. But in the meantime members of the House will feel strong pressure from administration and farm groups for and against the bill. And it is likely to become a major issue in next year's presidential and congressional elections.

Outcome of the debate will have a definite effect in Milam County where grain has become an increasingly important crop. Government payments to Milam County farmers for wheat stabilization and feed grain programs in 1966 amounted to \$965,159. An additional \$205,913 was paid to Milam farmers for land diversion (grain, cotton and peanut acreage included).

Total sales of grain sorghum, corn, wheat and oats in Milam County were \$2,838,250 in 1966.

The Curtis bill, backed by the Farm Bureau, removes all government measures affecting the production, marketing and storage of wheat, corn, sorghum, grain, oats, barley and rye. It would also do away with acreage allotments, marketing quotas, subsidy payments, price supports and government acquisition and sale of grains.

Lone Star Gas Co.

Names New Foreman

Edward Zucknick has been named Lone Star Gas Company foreman in Cameron, according to E. L. Edwards, Cameron district manager. He will assume his new duties May 1.

Mr. Zucknick began his career with Lone Star in 1951 in Taylor, where he served as utilityman and serviceman until his recent promotion. He served in the U.S. Navy from 1947 until 1951.

A native of Taylor, Mr. Zucknick is married to the former Emmeline Woylek of Taylor. They have three children, Michael, 13; David, 11; and Lisa, 2. The family attends St. Mary's Catholic Church in Taylor.

4-H CLUB NOTES

By Ronald L. Bailey

The 4-H Swine Management Contest will be held Friday, March 31 for the purpose of judging the 4-Hers on their management practices. The contest includes the management from the time the 4-Hers received their gilts on April 7, 1966 through the first litter of pigs.

These 4-Hers are entered in the contest: Rickey Richter and Clyde Jistel, St. Anthony 4-H; Elizabeth Nelson, Griffin Chapel 4-H; Mark Gause, Gause 4-H; Tommy Terrell, Branchville 4-H; and Mike Towery, Thorndale 4-H.

Mr. W. G. McCoy, Texas Power & Light agriculture representative, will judge the contest.

The junior livestock show committee will hold a meeting Monday, April 3, at 8 p.m. in the county agent's office to discuss the commercial steer show for Milam County.

Freeman has taken a stand for continuing the programs indefinitely.

In question is whether supply and demand would control production.

The Farm Bureau maintains that the farmer can do a better job of gauging production with demand than the government.

Sec. Freeman has frequently been quoted as believing that agriculture could not survive as an industry without the federal controls against overproduction. Administration agriculture economists have estimated that agriculture income would drop one-third from the 1966 level without the farm program. That overplanting would create new surpluses which would depress farm prices

HD NOTES

An HD leader training meeting was held March 23 on "Dressing for the Occasion." The meeting was conducted by the associate county home demonstration agent. The leaders and visitors present were: Mmes. Graham Young, Sr. and Mrs. L. L. Keen, New Salem Club; Boyd Offield, Tracy Duncan Club; J. C. Walden, First Cameron Club; Ira Terrell and R. L. Hamber, Branchville Club; Bertha Brooks, Lenora Young, Laura Harris, Lutenza Blair, and Sara Hemp-hill, Cameron Sunshine Club.

They received training on becoming aware of appropriate dress for various occasions, the proper use of accessories, determining the over-dressed. The Keys to Appropriate Dress were discussed. The leaders will give the training to the clubs during the month of April.

The associate home demonstration agent also conducted demonstrations on Indoor Landscaping to six HD Clubs during the month of March.

The demonstrations consisted of information on flowers that can be grown successfully indoors, the care of flowers and house plant culture.

There were also demonstrations on flower arranging, the mixing of various flowers in bouquets, and the mixing of artificial and real flowers.

Clubs receiving the training were: New Salem, Rockdale Ideal, Branchville, Cameron Sunshine, Maysfield, and Davilla.

Mother-Daughter Banquet At OJT

About 75 mothers and daughters attended the Mother-Daughter banquet at O. J. Thomas Cafeteria March 17. Purpose of the banquet was to promote a better relationship between mothers and daughters in a changing society.

Mrs. Courtney Nelson, mother of last year's fourth vice-president, Bertha Nelson, introduced the guest speaker, Mrs. Irene Simmons. She is mother of last year's president, Brenda Cavanaugh. Mrs. Simmons pointed out that conflict and lack of understanding between parents and teenagers is a common problem. Mothers were introduced by each daughter, and presented a gift. Remarks were given by Principal Whiteside and Mrs. W. J. Henderson, homemaking teacher.

Mrs. Millie Krall's guests have been her children, Mr. and Mrs. Rudolph Krall and Danny of Houston and Mr. and Mrs. Glenn Krall and Lisa of Robstown. They were here to attend funeral services for Mrs. Glenn Krall's grandfather, Mr. Frazier at Rogers.

Easter guests of Mr. and Mrs. Ladis Zavrel were their son-in-law and daughter, Mr. and Mrs. Marvin Green of Temple and M. and Mrs. Edward Green and daughter, Kathleen of Friendswood.

Mr. and Mrs. Marvin Slovacek and children, Marvin Jr., Diane, and Lori of San Antonio visited his parents, Mr. and Mrs. J. R. Slovacek.

Fred Gresak, who has been a patient under medical treatment at VA Hospital in Temple, has returned home. He is improving satisfactorily.

Mr. and Mrs. E. E. Phillips' guests have been their daughter's family, Mr. and Mrs. C. J. Yan-nero, Rebecca and Jennifer Sue of San Antonio.

Mrs. Estelle Horstmann and Mrs. Leon Brady and daughter, Jamie Lou, spent the weekend visiting over family members, Mr. and Mrs. Buddy Horstmann and Mr. and Mrs. John Busby.

SCREWORM REMINDERS

With the arrival of warmer weather and some moisture, livestock owners are reminded that the spring season poses a real threat for re-infestation of screwworms if ranchers relax their vigilance, say officials at Mission.

There are between 1,800 and 2,000 rooms in the Palace of Versailles.

A Financial Squeeze That Hurts All Over

America's rural electric, which provide our countryside with vital electric power, are caught in a tight financial squeeze.

The demand for electric power is booming. But the money to buy and install the equipment and lines that will be needed to help meet that demand is lacking.

And when 20,000,000 people served by rural electric are caught in a squeeze, the whole nation is pinched.

Within the next 15 years our country will need a total electric power system four times as big as the one we now have. Rural electric co-operatives and other consumer-owned systems, which serve in 2700 of the nation's 3100 counties, will have to invest more than nine billion dollars

during the next 15 years to do their part.

To help themselves obtain that capital, rural electric co-operatives have put forward a plan which will permit them to pool their collective credit. They're working to secure passage of necessary legislation by Congress.

Much of our nation's future lies in the countryside. There's room for our swelling population and growing industries. There's space in which to build tomorrow's model communities.

That's why the nation's rural electric must have additional financial resources to insure that there will be ample power to do the job that needs to be done to prepare the countryside for tomorrow's growth.
